

CERTIFICATION OF COMFORMANCE FOR PINS W/WASHERS

January 1, 2016

To Whom It May Concern:

This letter is to certify that the Pins with washers are manufactured in the United States with domestically produced wire. Our product and process is in conformance with the Buy American ACT as it applies to construction wire materials and components.

The specifications for these Pins with Washer are as follows:

Wire Diameter 0.20" +/- 0.015" (5 mm +/- 0.4mm) Diameter Steel Wire

Washer 1-1/2" +/- 1/64" (38 mm +/-0.4mm) OD Steel Washer

Packaging 8" Pins - 19# per Box 200 pins per Box at 25lbs

The wire is mushroomed at top, washer is put on wire, wire is swedged about 3-1/2" for washer retention. The end is cut at a 45-degree angle for easy penetration of the soil. These Pins with Washers conform to industry Standards for Erosion Control.
